President's Report

I had a lot of questions about my photo from last month. That was a 2013 60th Anniversary Z06, which had painted stripes and ground effects.

Let's see how many remember this month's car. No hints!!

We are coming into 2023, and it is a big year for us. This year is our 50th!! Not many car clubs can claim that today. We are in the beginning planning stages for a 50th Anniversary Party. Judy Nielsen is the chair for the planning committee. Contact the planning committee if you would like to help or have any suggestions on what we should be planning.

This is a big deal for our club, with Rollie no longer being our sponsor, it will give us an opportunity to show our new club sponsor just how we can pull together an event for this kind. We have a lot of things in the suggestion stage, and we will be moving into the actual planning phase.

I, for one, am so excited for a new year, and put all the things we have had to endure this year, put it all behind us and have a year worth celebrating.

I want to wish everyone a Very Merry Christmas and a Happy New Year!!

Save the wave!!

Joe Parker

Vice President's Report

Submitted by Kathy Hall

I love this time of the year – the world seems brighter and friendlier and just touches my soul with hope. I am of the belief that we are here to do everything we can to use our gifts and talents to be of service to others. We are all in this game of life together.

LGCA'S Social Committee certainly tried to enable all of us to have adventures together and create lasting memories and friendships with all the activities that were planned. February was the Sweetheart Dinner. March was the Potluck before the meeting. April took us to the U. S. Olympic Museum in Colorado Springs. May visited Equus Animal Sanctuary in Elizabeth. June was Concours d 'Elegance Car Show and then we gathered for Hors d'oeuvres/finger foods once again. Also did a picnic and tour of Rambler Ranch in Elizabeth. Our longest event was the Road Trip to Southern Colorado, Northern Texas and Eastern New Mexico. What fun July was– breakfast in Idaho Springs before the Georgetown Parade and the Flatlanders Car Show in Sterling, Colorado – then a Picnic at Dedisse Park in Evergreen and finally Scotchman Tribute Car Show locally. August was our greatest performance as a club with our VOTR – VETTES ON THE ROCKIES event in Steamboat Springs and then we did a Day Trip to Cheyenne, Wyoming for Sunday brunch and tour of Cheyenne Depot Museum. September had our Annual Ice Cream Social – then did our Annual Fall Trip. We did a couple car shows in October and started planning LGCA's 50th Anniversary Party. November was a Thanksgiving Themed Potluck before our meeting and then in December we had the LGCA's Christmas Party.

Our Association has the ability to entertain you and to cherish you.

We also need to be more mindful of others struggles by sending a cheerful support card or calling to offer support.

Be an active participant in your own life.

We wish each of you a very MERRY CHRISTMAS and A HAPPY NEW YEAR!

Business Meeting Minutes—December 6, 2022

Submitted by Sandy Seader

Meeting began at 7:00pm. Officers present were Joe Parker, president, Kathy Hall, vice-president, Bob Chelle, treasurer, Sandy Seader, secretary, and Bob Burroughs public relations officer.

Membership Committee: Kristelle Nielson, didn't have any new members/guests.

Public Relations Officer: Bob Burroughs reported with the cold weather he hadn't seen very many Corvette owners to talk about the club. It's all our assignment to tell our neighbors who own Corvettes to come and join us at the meetings.

Treasurer: Bob Chelle reported on the clubs' finances year to December 5, 2022, which included the Christmas party expenses which totaled \$7300.00. Please send dues to Bob Chelle's house if you're not going to use PayPal. By sending them to his house it's faster and easier for him to receive payment.

Leroy Neilson asked if the club had a commitment from the new owners of Purifoy to pay for the room at the community center? Bob Chelle referred this question to Tom Robben. Tom said he hadn't met with the new owners yet because the final transaction of the sale of the dealership was December 6, 2022. Tom Robben was hopeful that within the next couple of weeks he would have something set up with them. Joe Parker also commented that he and Tom Robben had discussions about the new ownership and what they're sponsorship would look like. They had a number in mind to present to the new owners at the time of their meeting and that the club was not going into the meeting blindly.

Secretary: Sandy Seader wanted to wish everyone a Merry Christmas and Happy New Year.

Vice President: Kathy Hall reported past events:

*November 1, 2022, The Thanksgiving themed potluck with 71 club members in attendance. Potlucks are always terrific around here.

* December 3, 2022 was the Christmas Party at rolling Hills. 99 Club Members were in attendance. Great time was had by all.

Kathy Hall read the names of the members who have birthdays in December.

President: Joe Parker wanted to Thank the Social Committee for doing a great Job on the Christmas party. It was a great evening and he enjoyed it a lot.

The nominations for the Charity Donations should have gone out November 2022. If you would like to nominate a charity, please contact Roland Tomsick with the name of your charity. Fill out the application that is on the club's web site and send it to Rolland Tomsick.

Social Committee: Ben Schafer wanted to Thank everyone for the well wishes, cards and phone calls he received when he fell in October. He also wanted to thank everyone for their continued support of the social committee this past year. The social committee is committed to providing a great social calendar for 2023. The social committee encourages anyone with suggestions for possible future activities please tell them.

Ben Schafer spoke briefly about past events the Thanksgiving Themed Potluck and the Christmas party. He brought up upcoming events on the 2023 Social Calendar, and these are the clubs' usual traditional events. The social Committee did not have a chance to plan any other events for 2023 but please monitor emails and newsletters for any changes.

CCCC: Tom Mansfield reported the club had agreed to assist the Forney Museum with wiping down cars on the third Saturday in May 2023 but by the time he was able to speak to anyone from Forney all the May 2023 dates were spoken for. He agreed the club would be available the 3rd Saturday in June which is June 17th, 2023.

Refreshments: Sandi Robben thanked everyone who brought snacks for the meeting.

New Business: Joe Parker indicated, the club has several open Committee Chairs that need to be filled and if no one is interested in being a chairman for that committee, the Board Of Directors at an upcoming Board Meeting will discuss whether we want to keep the positions open or close them if no one is interested.

We have moved the Board Meetings to the 3rd Thursday of the month at 10:00 A.M. at the Clements Community Center.

Joe Parker also wanted to remind us, when we are traveling to pick up the sample shampoo, conditioner, and bath wash. Bring in the samples to Sam and Joe so they can take them to the Battered Women's Shelter in Arvada.

A motion was made to adjourn the meeting at 7:30 P.M. and it was seconded.

Car Show Report

Submitted by Phil Barnes

I am suspending the monthly car show report till probably April, 2023. If something comes up that warrants an e-mail blast concerning a winter show or cruise in, I will prepare something. Thanks for your support and help. Winter is coming.

Minutes of Meeting, 7 December 2022

The meeting was held at the Forney Transportation Museum, 4303 Brighton Blvd., Denver CO

The meeting was called to order at 7:31 pm MDT, by President Dick Thompson. 23 member clubs, two individual members, and two guests were in attendance. Officers present were President Dick Thompson, 1st Vice President Tom Mansfield, 2nd Vice President Calvin Craig, Treasurer Samantha Baker, and Secretary Richard Fritz.

Guest Speakers: Mike and Jim McCutchen are seeking advice about selling vehicles from an estate left by their late father. The vehicles include a 1961 Ford station wagon and a 1964 International pickup truck. Both are not drivable and without titles. They will need information about getting titles for these vehicles. They were advised to check with the DMV and go through the process relying on a bill of sale and bonding when sold and to go to local swap meets to explore interest in the vehicles. Mike's phone number is 303-521-3821.

Legislative: Leo Boyle noted that the November election will result in new and predominately Democratic legislators on committees but key legislators we have worked with on the Transportation committees will be around. He reported that he will be meeting with the person most responsible for drafting legislative bills to seek clarification of SB19-054 which has been interpreted to mean all surplus military vehicles can only be licensed to be driven off-road like farm tractors. Leo also expects bills dealing with the metro area's ozone violations.

Minutes: The minutes of the November CCCC meeting were approved after correction of the date of this meeting.

2023 Budgets: Proposed budgets for the 2023 Operating, Government Relations, and Car Show / Swap Meet Accounts were presented and discussed. The budgets are basically the same as 2022 but with adjustments such as inflation. Each budget was accepted and voted in favor. Renewal dues and assessments remain unchanged.

CCCC shirts: Additional shirts will be ordered for delivery in 2023. Contact Dick Thompson.

Concours d'Elegance: Discussion with Tom Scott regarding the June 4 2023 Concours in Littleton is continuing. The Concours is planning to feature evolution of the automobile with decades of vehicles grouped together. CCCC is urged to promote the show and provide 50 cars.

Pharaohs Car Club Car Show: The Pharaohs club has expressed interest in joining CCCC in 2023 and has invited CCCC members to their Car Show on June 10 in Northfield. Dick Thompson has met with their officers and has arranged for the show's benefit to go to CCCC.

2023 RMMA (Jeffco) Airport Show: Dick Thompson reported that the August 5th 2023 event may relocate to a different part of the airport which would afford parking on grass rather than concrete.

Forney Museum Dust & Shine events: Contact for scheduling D&S dates for clubs is Gary Canady at 303-264-9953, not Dick Thompson.

Presidents' Night: The annual club presidents' night will be February 1st, 2023 and held at Rocky Mountain Metro Airport terminal building. There will be food provided.

Colorado Parks Pass ("Keep Colorado Wild Pass"): The Parks Pass will go into effect on all registrations beginning January 1, 2023. There is an "Opt Out" provision rather than Opt In, meaning the fee can be declined and the registration reduced by \$29. The Pass if accepted is not transferable between vehicles. Only state parks are covered, not national parks such as RMNP. Vehicles without the pass can still enter state facilities by paying a day use fee.

Early 2023 Swap Meets: Polar Bear Swap meet will be at Adams County Fairgrounds, January 28. Info: 303-378-1321. The Sabres Tri-States Swap Meet at the National Western Complex in north Denver will be Feb.4-5, Info: 303-428-6046.

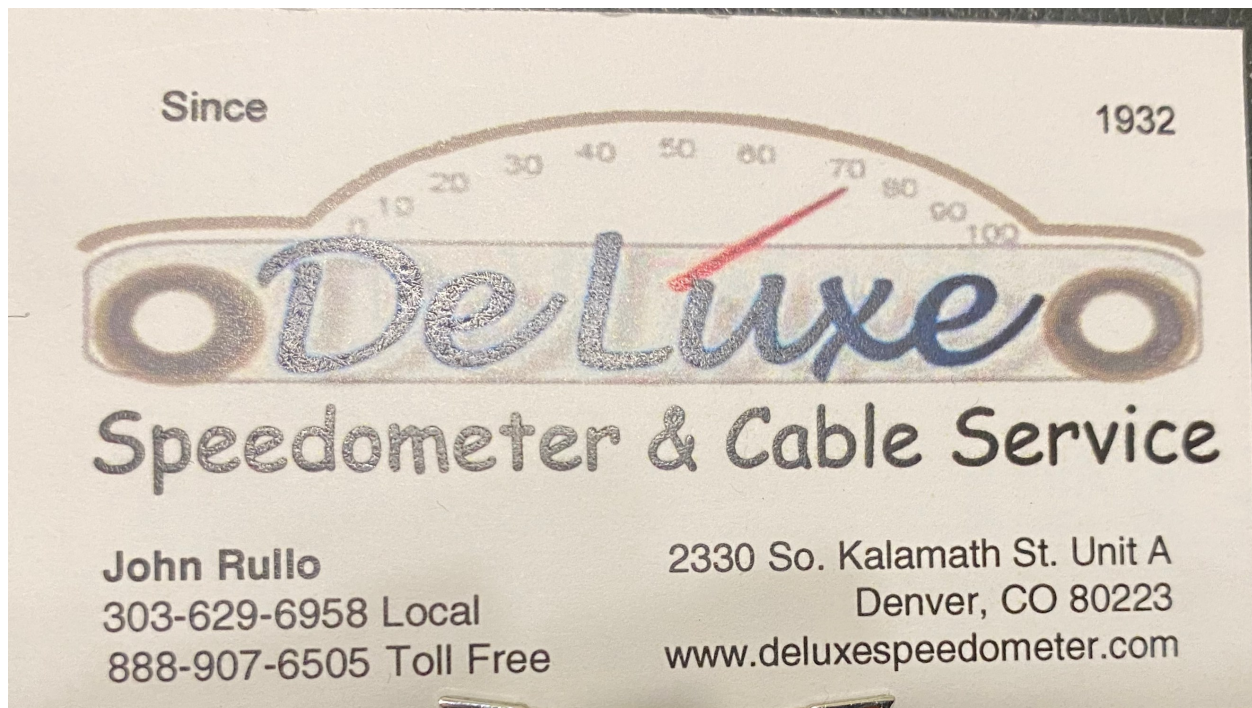

Next Meeting: There will not be a January meeting.

Adjournment: The meeting adjourned at 8:43 pm.

Respectfully submitted, Richard Fritz, secretary.
