PRESIDENT KATHY HALL'S REPORT APRIL 2025

It's that time of the year when you feel so ready for spring but know it's COLORADO and more snow will come before May. Looking forward to road trips and hope everyone has made reservations for Gering and Sterling as both get booked up quickly. We are going to go to as many events as we can as we now have our 2025 E-RAY as pictured. Bill is spending hours with the manual and anxious to get his 500 miles at variable speeds accomplished. Getting pinstriping done this week and ceramic coating will follow. We had EMICH do clear bra and window tinting. We love the Sebring Orange color which was on the 2020 – 3 orange cars with same interior! The fun of breaking in a new engine is we get to see friends as we are meandering with no particular schedule.... anxious to present our new car to all.

Looking forward to the ceremony with DAVE'S LOCKER for the \$2,000 check we shall present to them for our Charity for 2025. Dave's Locker is located at 7903 Allison Way in Arvada. They are a community service that loans crutches, walkers, wheelchairs and other aids to anyone in need. They are sponsored by Arvada Fire and donations from the public. They again will have a booth at the EMICH SHOW.

As always looking for new members for the Club so if see Corvette at Dairy Queen or Burger King, please introduce yourself and give one of our business cards with your name and cell so you can greet them at the meetings and make them feel welcome. Going to put card on Facebook for more exposure.

We have several members getting repaired or tuned up body wise and so please be aware of any member needing TLC and let us know. The FRIENDSHIP we share is the biggest selling point for joining our Club. Drive safely and see you at the next event.

LOOKING GLASS CORVETTE BUSINESS MEETING MINUTES

March 4, 2025

The meeting was called to order by President Kathy Hall at 7:00 pm after members enjoyed a very tasty pot luck pizza dinner. Officers present were **Kathy Hall**, President, **Sandy Seader**, Vice President, **Jane Walker**, Secretary, **Ken Pfohl**, Treasurer and **Bob Burroughs** Public Relations.

President, Kathy Hall, had each current board member introduce themselves as they will be continuing in their positions for the 2025 year.

Roland Tomsick, Charities, reported that Dave's Locker was the only charity that was nominated and vetted. A motion was made and seconded to accept this as our charity. It passed. Dave's Locker will send a representative to the April business meeting to accept the \$2000 check.

Susan Wozniak, Membership had no visitors or new members to introduce.

Bob Burroughs, Public Relations again had a little trivial quiz for the members. Russ Tripp, Bill FitzGerald and Phil Barnes were this month's winners of the corvettes-72nd scale.

Ken Pfohl, Treasurer explained the February P & L statement. The club had an income of \$1352 and spent \$1152 so we had a good month. He reviewed the proposed 2025 budget and ask for questions. A motion was made to accept the proposed budget as presented and seconded. It passed.

Ken found that the club is unable to get insurance from the National Museum since the club and the museum have the same underwriter. A member suggested that he check with Chubb Insurance to see if they could offer a lower rate.

Jane Walker, Secretary had no updates. She reminded members that today was a "day of forward progress" since it was MARCH FORTH! 😊

Sandy Seader, Vice President extended Happy Birthday wishes to all the members with March birthdays.

She reported that the Valentines' Brunch was well attended. As usual the food was good and that participants had a good time.

The Rodz and Bodz event was also well attended and enjoyed by the group.

By a show of hands, it appears there are about 10 cars interested in participating in the Memorial Day Parade in Commerce City followed by a lunch. She will provide a flyer next month with details.

George Garrison said that the club will participate in the 4th of July parade in Georgetown. They ask that we go two by two down the main street. He will arrange for breakfast at the Happy Cooker before the parade. Participants can sign up on the flyer he will make. George is also looking into a possible tour of the Mechanics Trade School located in Sterling, CO on Friday, July 11. It would be an opportunity to meet some of the instructors and students and see their equipment. This is the weekend of the Flatlanders Car Show. He estimates that they can accommodate approximately 10 cars. This trade school is the Sterling's Car Club's charity.

Kathy Hall, President said that Sandy Seader and Chris Dale have a sharp learning curve as they proceed to take over the management of the website and learn the "ins and outs". They have had some success in sending out chimp mail and posting events.

Judy Nielsen, Social Committee thanked everyone for coming tonight and for bringing the delicious food to share.

She has an updated calendar and several flyers for upcoming events. You can sign up for events on the jgcasocial@gmail.com or on the flyers on the back table.

***March 22 – Lunch at the Brewery Bar II, 150 S. Kalamath St., Denver 80223 at 11:00 am** followed by a tour of Stranahan's Distillery, 200 S. Kalamath St. at 1 pm.

***April 12 – a 10:00 am Tour of Shelby American Historical Museum, 5020/5035 Chaparral Cr., Boulder, CO 80301.** The cost is \$10 per person payable upon arrival. Following will be lunch at The Twisted Pine Brewing CO. 3201 Walnut ST.

***April 23-Ladies Luncheon at Red Rooster 5761 Washington St., Denver 80216 (58th and I-25)** followed by a tour of the Hammond's Candy Factory at 5735 Washinton St.

The committee is planning a **mystery trip in September** and a drive to Cheyenne for lunch at Little America, a drive through Curt Gowdy State Park and a tour of the Wyoming Territorial Prison State Historical Site in Laramie.

Plans also include a possible trip to S. Dakota.

You can sign up for these additional events:

-Flatlanders Event in Sterling-Sam and Joe Parker will be coordinating this event.

-Gering Father's Day car show

-The Goodland Car Show

She raised the possibility of having the Ice Cream Social in August instead of September. There were no objections.

She again encouraged members to plan an event and the social committee will be happy to support you.

To date the consensus appears to be a desire for a dinner/dance Christmas Party.

Phil Barnes, Car Shows and Cruise Ins.

CAR SHOWS:

***April 5: Lincoln Tech Car Show**

***May 18: Show us Your Chevy** at the Boulder County Fairgrounds

***June 8: Colorado Concourse de Elegance.** There was a blast sent out yesterday and at the bottom there is a button that will take you to the registration. He is hoping LGCA will have 10-15 cars registered. At the show LGCA gets chairs and a tent and perhaps Emich would want to put a car near the tent to promote our club. Since we are identified as a sponsor and the program is now digital people can access information about our club on that site. A newer trend is for clubs to develop videos to post on websites to promote their club. Our club might want to develop such a video about our club to post on the site. This might attract new members for our club.

***July 16: Black Hills Corvette Classic** in Sioux Falls, SD.

It was noted that many "car clubs" are now informal clubs through Facebook. Some include a variety of Cars, Trucks and Rice Burners.

***August 23: Grand Lake Car Show**

***September 13 Emich Dealer Appreciation Car Show**

CRUISE INS:

***Every Friday Starting April 4th Twisted Steele** at Colorado Boulevard and 108th

***First Saturday of the Month Lone tree Cars and Coffee** at the Rio Grande Mexican Restaurant

***Last Saturday of the Month is the Gateway Cruise In**

Kristelle Nielsen, Merchandise pointed out the display of merchandise available for purchase. She has not received updates on the special orders that were placed. There are still Looking Glass decals for the outside of the passenger side window for sale for \$15.

Kathy Hall, President

The next Board Meeting will be at the Clement Center March 18 at 10 am.

The meeting adjourned at 7:54 pm.

Respectfully submitted by **Jane Walker Secretary.**

Looking for C3 T-tops

We received a message from a gentleman in Scottsbluff. He recently purchased a 1980 C3 and is looking for a mirrored glass T-top for his car. Please see his e-mail below.

Contact Name JR.

Email vernonhayes2001@gmail.com

Subject T-tops

Message

My name is Junior, and somebody suggested I get a hold of you guys. I live in Scottsbluff Nebraska. I bought a 1980 C3 that is pretty clean. But I need a passenger side mirrored glass T-top or a set of them and I'm hoping that they don't try to gouge me and realize it's not all about the money but helping a fellow enthusiast who has loved C3 for almost 50 years.

I got mine about 3 months ago and it is pretty near mint or at least in my opinion. No rust on bird cage, no rust in the floor, on the rockers nothing and, yes, I checked all the bird cage mounts. Either a set of T-tops for a 1980 or just the passenger side mirrored glass T-top.

Please maybe you can ask around or spread the word in the club or just ask people. My phone number is 402-890-9441. Please tell people if they call and don't get an answer to leave a message. It would be greatly appreciated!
