## PRESIDENT'S REPORT JUNE 2024

Just returned from the HIGH PLAINS AUTO CLUB ROCK 'N' ROLL FATHER'S DAY CLASSIC CAR SHOW from June 13-16 in Gering, Nebraska. Had 14 cars and 28 members attending. As usual, we met at 9:15am and drove to Wiggins for a stop and then on to KAREN'S KITCHEN in Kimball for lunch. The owner has been so generous and kind these past 3 years to us and we shall miss her as she has sold to new owners as she takes care of her husband due to Alzheimer's disease. We shared a lot of hugs and well wishes together. Know that Judy and the social committee shall establish a relationship with new owners for our trip next year. We have made this an annual event, and it is such a delight to have a lunch break and gab session on the way to Gering.

Thursday night had group dinner at Monument Shadows Golf Course – we love traveling together and enjoying breakfast, lunch and dinner together – really do!!! This year we were in several hotels but hoping we can all be together at the COBBLESTONE HOTEL AND SUITES in Gering for next year. As we were told – no reservations accepted until July 1<sup>st</sup> as getting new computer system and don't want to drop any names etc. in transition. Will advise if get different information from hotel.

We went a day earlier this year so could visit LEGACY OF THE PLAINS MUSEUM in Gering located on the OREGON TRAIL- features an impressive collection of pioneer and early community life – real life artifacts and displays really bring the topics to life. Short, digestible videos are plentiful and there are plenty of places to stop and rest a bit if needed. Friday night we were treated to dinner at the Gering Civic Center after picking up packets and registration. Had a BBQ meal and then ice cream social.

Staged for PARADE at 8:00am – rethinking that plan for next year as think get better placement if skip parade - we were far from food and bathrooms and also foot traffic to see cars – plus HOT HOT HOT....Show & Shine at Five Rocks Amphitheater from 10-4 – grass parking sites – little shade – lunch vendors on site and door prizes all day. We left early as so HOT and retired to rooms for shower etc. or to the bar to cool down.

Awards banquet – Gering Civic Center at 5:00pm - we had 30 people close together at 3 tables which was nice. The dinner was delicious and the slide show of all the 317 entries was impressive. Quite a good deal for our \$55.00 entry fee for 2 people.

Looking forward to :

## Vice President's Report

Submitted by Sandy Seader

June 8, 2024, we bid farewell to our friend Shirley Salazar, who was a long-time member of LGCA. The day began with breakfast at The Main Street Café, in Brighton, CO at 7:00 A.M., one of Shirley's and Mike's favorite places to eat. Seventeen LGCA members attended and after breakfast we caravanned to Harvest Fellowship Church at 11401 East 160<sup>th</sup> Ave,

Brighton, CO for the 9:00 A.M. service. Shirley's and Mike's Corvettes were parked at the entrance and LGCA members lined their Corvettes in the circle drive of the church. Sixty-one past and present LGCA members attended. LGCA was well received by the family and the minister of the Church. A luncheon was served at Shirley's and Mike's home after the service. Until we see you and can all drive our Corvettes together again, know how much you're loved and missed.

### LOOKING GLASS CORVETTE BUSINESS MEETING MINUTES

June 4, 2024

The meeting was called to order by President Kathy Hall at 7:00 pm. Officers present were Kathy Hall, President, Sandy Seader, Vice President, Jane Walker, Secretary and Ken Pfohl, Treasurer. Bob Burroughs, Public Relations was absent.

Kathy Hall sadly announced that our dear member of 20 years, Shirley Salazar passed away after being in intensive care since Monday, June 3.

Susan Wozniak, Membership committee introduced a guest speaker from the Collector Car Council (CCC), Dick Thompson. Tom Mansfield is our club's representative and first vice President and will become President when Dick retires at the end of this year. Dick explained that the purpose of the council is 2-fold: First is to promote our hobby by hosting events like the **Rocky Mountain Car Show Swap Meet** at the Broomfield Airport August 3 from 10 am – 2 pm. A \$10 donation per car and \$5 per adult spectator is suggested. It is a large event where there will be firetrucks, police cars and airplanes like the War Birds on display. There will also be a fly over by the Airshow Team. Secondly to protect our hobby by using the dues of \$50 per club and \$4 per member of 56 car clubs to hire a lobbyist, Leo Boyle. His job is to see that any negative legislation doesn't get passed or is amended. Because of his effort and knowledge none of the 5 bills on Ozone regulations regarding emissions passed this term and saved us, oil and gas and agriculture from increased emissions standards and fees. Because of our lobbyist car enthusiasts have benefited immensely.

Tom Mansfield, Car Council Representative said there is a need for about 5 additional members to volunteer at the Forney Museum on June 15<sup>th</sup> for approximately 2 hours to dust and shine and enjoy viewing the cars.

Susan Wozniak, Membership committee was pleased to welcome new members that were voted into the club: Wayne Hodapp, Susan Morris, Kathy and Rodney Kellett. We had a first time visitor Lewis Kilborn. He has a 2004 LeMans edition and a '75 coupe that is not legal – it is literally a street rod!

Ken Pfohl, Treasurer went over the Profit and Loss statement for January through May highlighting the income/expenses for May. He also provided a handout about the use of Zelle for payments to and reimbursements from the club. There will be an article in the Reflections explaining the use of Zelle.

Jane Walker, Secretary inquired about members that may need the silver dangles for their name tags. If that is the case just let her know. She will be ordering name tags for the new members and would be happy to include any needed with the order. Her daughter-in-law can make the Corvette carve out and paint them in any color for any members that are interested. They are \$10 each.

Sandy Seader, Vice President announced June birthdays. She shared a story of challenging the "Road Closed" signs on the way to the Wild Animal Sanctuary – and she won arriving without incident!! There were 12 cars that participated in the May 27 Memorial Day parade. She thanked the social committee for the excellent job they did in organizing events.

Kathy Hall, President reiterated what a great parade it was. It is well attended and the crowds are energetic and appreciative. However, she reminded and encouraged members to please notify organizers if they cannot attend an event they signed up for as the club is obligated to pay for the number they reserve for.

Social Committee Chair Judy Nielsen reported:

Forty-seven members attended the tour of Empower Field and had lunch at "The Original Brooklyn's."

Plans for the Father's Day Car Show in Gering, NE have been finalized with seventeen cars going to Gering on June 13.

The committee is still discussing what arrangements for lunch after the Rosemount Museum & River Walk in Pueblo on June 29 would work the best for the group.

Details for the trip to Lincoln, NE for the Museum of American Speed July 7-10 are still being worked out. There is a link on the flyer where you can book the hotel. There is one couple that will join the group in Sterling to caravan to Lincoln.

A trip to the Dougherty Museum in Longmont is being planned for July 27.

A mystery trip is being planned for August 3 but may be rescheduled as it does conflict with events the Scotchman and the Rocky Mountain Car and Swap Meet. The Aurora Sports Bar is going to be the meeting place for this event.

It is possible that the Fall trip to the Box Canyon Falls in Ouray, CO will be a 3 day trip August 22-24. The first payment has been made for the Christmas Party. It will be Sunday, December 8, 2024 at Ashley Ridge by Wedgewood located at 8199 Southpark Ct., Littleton, CO 80120. The club will subsidize the cost with \$25 per person which will bring the cost to be around \$90-\$92 per person.

The committee is finding that restaurants are expecting a sizeable room rental fee to accommodate a group as large as ours.

The committee tries to plan most events to be on a Saturday, but there are occasions where a weekday event is necessary.

**Car Shows:** Phil Barnes handed out flyers about LGCA at the Golden cruise to all corvettes he could.

He announced the upcoming car shows:

June 9 the Concours d'Elegance has 24 vettes registered with most of them from our club. Judges are still needed.

June 15 Vettes on Broadway at John Elway Chevrolet on Broadway.

June 15 Stevinson Chevrolet show sponsored by the Colorado Corvette Club.

June 22 Cruising with the Saints Car Show at St. Thomas Moore Catholic Church at 8035 S. Quebec St, Centennial, CO 80112. It opens at 9:00 am for exhibitors and 10:00 am for the general public.

June 22 Car show at Serafini's Pizzeria is a fund raiser for the Toy Run at Children's Hospital August 8.

June 30 Car show at Boulder County Fair Grounds.

July 4 Georgetown Parade and breakfast at the Happy Hooker

July 5 Flatlanders Car Show in Sterling, CO.

September 14 The Emich appreciation Car Show. There are already 25 cars registered.

**Merchandise:** Kristelle Nielsen passed around some photos of merchandise that include the club shirt, jackets, fleece and raincoats. Currently there is a limited selection but she plans to expand the inventory later to include long sleeve and ¾ length sleeved shirts. There will be a link available for members to access and order merchandise. Kristelle will pick up the orders and distribute them at business meetings in order to save postage and simplify the process. She plans to have samples available to help determine sizes.

There is a lady in California that makes ladies bling shirts for approximately \$45. She has a catalog with merchandise that can be ordered which includes other miscellaneous items such as key chain, etc.

**NCM Ambassador:** Steve Culbertson elaborated about the July 4 Georgetown Parade. Breakfast will be at the Happy Hooker before the parade and an email will be sent to participants clarifying the time to meet for breakfast. The parade begins at 11 am and there are other activities for people to enjoy after the parade. They do allow candy to be thrown from the cars

He gave a brief update on the current situation at the National Museum. They have terminated many of their top officials, some that had been there for 30 years. This triggered a chain reaction of other resignations. They are currently searching for new leadership but currently do not have a director or CEO.

**Refreshments:** Jo Charlton thanked the people who brought refreshments for this evening.

**VOTR:** Tom Robben was absent.

**Kathy Hall** thanked Ben Aycrigg for the excellent handling and managing of the website.

**Old Business:** Donna Fitzgerald reminded the club of the fund raiser for the Toy Run at Children's Hospital at Serafini's Pizzeria in Brighton June 22 from 11 am – 3 pm. Monies raised will be used to buy toys for the Children's Hospital Toy Drive August 8. She will do Pet paintings for \$100 each and will donate all the money she makes to the Toy Drive.

**Kathy Hall** announced the next board meeting will be June 18 at Clement's center at 10 am.

The meeting adjourned at 8:18 pm

Respectfully submitted by Secretary Jane Walker

New members -Kathy and Rodney Kellett with their new 2023 Hypersonic Gray Stingray

## Make your dues and event payments with Zelle

## **LGCA Club-wide e-mail “Blast” Messages**

Several members have mentioned they are not receiving the periodic blast e-mail messages sent to all members.

This process means sending e-mail to approximately 80 addresses. It is quite possible your e-mail service sees this and determines the messages are “spam”. In some cases your e-mail service will deliver these to Trash or Spam folders. In other cases the provider will not even deliver them to you.

To best ensure you receive club-wide messages, please add “lgca73@outlook.com” as a Contact in your e-mail address book.

This may also apply to the monthly Reflections newsletter notices. For these, please also add “lgcahome@pb06.wixemails.com” as a Contact.

**Minutes of 5 June 2024 Meeting**

Meeting was held at the ColoRODans clubhouse, 209 Kimbark St., Longmont CO. 16 member clubs were signed in. Officers present were President Dick Thompson, 1<sup>st</sup> Vice President Tom Mansfield, and Secretary Dick Fritz, President Dick Thompson opened the meeting at 7:47 pm MDT.

**Legislation:** Leo Boyle described the Legislatures' concluding deliberations as the 2024 session came to a close in May. There were about 750 proposed bills introduced most of which did not become law. Of all bills dealing with the air quality issues only one, SB24-095 might have affected car owners (not just collector vehicles). Amendments to 095 could have added to vehicle emission standards and the area being subject to emission inspections. SB24-095 did not survive but will likely reappear in committee discussions over the summer. Meanwhile a regulation mandating reformulated gasoline has been issued by the Colorado Department of Health and Environment but may only call for reduced volatility.

**Minutes for the May meeting** were accepted as published.

**Treasurer's Report:** Dick Thompson presented information submitted by the treasurer. Information as presented was approved. Currently there are 41 member clubs paid or 2024.

**June 15 Forney Dust n'Shine:** Carroll Reichen is coordinator for CCCC.

**Bylaws amendments:** At the May meeting there were two proposed amendments to the bylaws. These were to change the club membership requirement (currently 10 members) to either 5 members or to have 10 members to join but the membership could decline. See the attachment to these minutes for specific wording. If neither passes, the bylaws will remain unchanged. If both pass, the conflict will have to be resolved.

**Airport Show (August 3<sup>rd</sup>):** Dick Thompson reported that the new director at Rocky Mountain Metro Airport is Erick Dahl and he will be meeting with him to discuss our airport show. RMMA staff are continuing operations without changes at the present time. A list of volunteers needed for the airport show will be presented at the July 3<sup>rd</sup> CCCC meeting.

**Repair shops that cater to older vehicles:** Ted Rossi noted that some shops that we have relied on for work on older cars have closed up as the owners retire and we lose their expertise. He has suggested that the CCCC compile a list of shops that we can still rely on for service. This will not constitute endorsement of a shop, just information that clubs have from their experience. Clubs are urged to submit information in writing which CCCC will compile for a general advice listing. Please bring information to the next CCCC meeting (July 3<sup>rd</sup>).

**Next Meeting:** The next CCCC meeting will be at the Forney Museum, 4303 Brighton Blvd., Denver Colorado. Start time: 7:31 MDT Wednesday July 3, 2024.

The meeting was adjourned at 9:14 pm MDT.

Respectfully submitted, Richard Fritz, CCCC secretary.
