## PRESIDENT KATHY HALL REPORT FOR JULY 2024

We sure enjoyed the Flatlanders Car Show at which Bill Hall and Phil Barnes won awards. Next adventure immediately after awards, included 6 cars driving 8 hours to Lincoln, Nebraska- Nielsens, Barnes, Lombards, Johnsons, Chelles, and Halls. We were naïve about road construction and forgot the time change, so didn't arrive till nearly 10pm – long day!

Monday we were pleased to meet Dick and Vicki Stephenson from the NEBRASKA CORVETTE ASSOCIATION. They came to our hotel and escorted us to the KUCK PRIVATE MOTORSPORT COLLECTION. The collection of muscle cars is staggering -plus Hollywood cars such as Batmobile – munstermobile – Drag-u-la – the DeLorean from Back to the Future – and Dukes of Hazzard's the General Lee. The collection will blow you away – antiques such as Stutz Bearcat Auburn, Duesenberg and classic 60s and 70s muscle cars with a variety of race cars too. After the tour, Dick, Vicki and Linda Wilson-Weichbrodt (president of Club) joined us at Ruby Tuesdays for lunch

Then we were escorted to the SPEEDWAY MOTORS MUSEUM OF AMERICAN SPEED. Founded in 1992 by "Speedy" Bill and Joyce Smith Museum dedicated to preserving, interpreting and displaying physical items significant in racing and automotive history. FIRST FLOOR: displays for Harry Miller, Indy, Smith Family, Open wheel – gas station diorama, Leroy Byers Memorial Research Library, Legends in Racing, show cars, Drag Race cars, Restoration Shop, land Speed and promise of new displays coming soon.

Second Floor: Model T and accessories, Midget Racer, miscellaneous engines 1900s-1980s motorcycles, flathead ford V-8, Pedal Cars, and Art displays

Third Floor: Tin Toys, Taxi Cabs, Pedal Cars and Tether/slot cars

WOW. We returned Tuesday for a much enjoyable and enlightening private tour of the entire museum with new friends. We certainly had a great trip and enjoyed meeting Nebraska Club. These trips solidify friendships and offer a great chance to view rare and awesome sights.

Thanks to Judy, Cindi and Tom Robben for this special event.

### Vice Presidents Report by Sandy Seader

WOW!! Way to celebrate our Independence, it kicked off July 4, at 8:00 A.M. in Georgetown, CO, fourteen Corvettes and twenty-six club members met at Rose Street and 11<sup>th</sup> Street. At 8:15 we made our way to the Happy Cooker for a delicious breakfast. Then returned to the parking lot to decorate our corvettes for the parade. July 5, fourteen corvettes and twenty-five club members met at the Target Parking Lot at I-76 and Egale Blvd to attend the 32<sup>nd</sup> Annual Rod Run in the Park Car Show, put on by the Colorado Flatlanders Car Club in Sterling, CO. Dinner was provided by The Car Club for participants attending the car show, dinner included chicken fried steak, mashed potatoes, gravy, corn and a salad. Saturday July 6 was the Car Show at Pioneer Park. What a beautiful park with several large trees providing ample shade from the sun and beautiful green grass to park our Corvettes on. July 7 we were back at Pioneer Park for the Poker Run and the Awards Ceremony. We had three big winners over the weekend. First Doris Barnes won First Place in the Duck Race. Bill Hall won with his Orange Z06 and Phil Barnes also won with his Blue Stingray in their respective classes. Congratulations!!!

### LOOKING GLASS CORVETTE BUSINESS MEETING MINUTES

July 2, 2024

The meeting was called to order by President Kathy Hall at 7:00 pm. Officers present were **Kathy Hall**, President, **Sandy Seader**, Vice President, and **Jane Walker**, Secretary. **Ken Pfohl**, Treasurer and **Bob Burroughs**, Public Relations were absent.

**George and Bobbie Garrison** introduced volunteer **Mary** and Chief **Deanna** of Arvada Fire Department, representatives from **Dave's Locker**, our charity for 2024. They presented a slide show and narrated the origin, purpose and expansion of the organization. It was established in 2017 when one of the firefighters needed a lot of medical equipment for recovery from a hip replacement. After Lt. **Dave Matus** was fully recovered, he wondered "what should I do with all this equipment?" and the idea of "Dave's Locker" was launched. This organization provides, free of charge, medical equipment to persons in need. They service 550 customers per month, provide 800 pieces of medical devices per month and have 32 volunteers that donate 400 hours of their time per month. They do have a car show fund raiser that benefits the **Friends of Fire Protection District**. This year it is August 4 from 9 am – 2 pm at Stenger Soccer Complex located at 11200 W 58<sup>th</sup> Ave. President **Kathy Hall** then presented them with a check from the club for \$2000.00.

**Susan Wozniak, Membership** announced there were printed copies of the club's directory on the table, but if you joined after April 4 the updated directory could be found on the website.

**Lewis Kilborne** was in attendance and will be able to join the club after he participates in the Georgetown parade on the 4<sup>th</sup>. Returning guest **Duane Rons** was introduced to the club and shared that he has a 2023 Hypersonic Grey C8 convertible with red interior. He lives in the Morrison area and has been a Colorado resident for 50 years.

**Kathy Hall** shared that **Bob Burroughs** was having a difficult time navigating Medicare as he sought care and rehabilitation for his mother. She ask the club if there might be interest in having a representative (not a sales persons) speak to the club to help us understand the ins and outs of dealing with Medicare. She ask **Kathy Kellett** if she volunteer and she accepted.

**Kathy Hall** reported that **Ken Pfohl**, Treasurer was out of town helping his son so **Sandy Seader** handed out the P & L for this month that showed the financials for the club. It included the club receiving \$140 from new member's dues, spending \$278.31 for flowers and memorials, \$1403.77 on merchandise, \$301.70 on parades (to cover the balance due for lunch due to low member attendance) and made the second payment for the Christmas party of \$2,301.00. He also refunded \$40 to a member for cancelation of an event per club guidelines

**Sandy Seader, Vice President** wished a happy birthday to all members that have July birthdays. She mentioned she had the laminated cards for new members to pick up to show to **Emich** for a discount on parts and labor.

To ensure communication is consistent and that members continue to get emails you want to make sure your device recognizes emails from **Ben Aycrigg** ([lgca73@outlook.com](mailto:lgca73@outlook.com)) and **Sandy Seader** ([lgca1973@outlook.com](mailto:lgca1973@outlook.com)).

Twenty-one members of LGCA brought 14 cars and joined 47 other cars at the fund raiser for the Toy Drive June 22. The fund raiser netted \$1500 in cash and boxes and boxes of toys. It was a great success.

**Jane Walker, Secretary** announced that new members could pick up their name tags.

At the officers meeting it was noted that the funds for flowers and memorials may need to be increased.

**Kathy Hall, President** shared a note she received from **Deb Raudins** thanking the club for the many cards and support she received after her mother's passing.

Several members attended the Pistons and Prostate car show sponsored by Emich. She noted not many women attended but would be more likely to attend if it were Brakes and Boobs!!

The Concours d'Elegance June 9 was well attended and the club was recognized for the most attendees at the Gering Car Show June 13-16.

The Rosemont Museum tour and boat ride on June 29 was enjoyed by all that attended. It seems that everyone knew who Leroy Nielsen was by the end of the event!!

**Social Committee Chair Judy Nielsen** told new members that they were welcome to get the extra "50 Year" medallion the club ordered to celebrate the 50<sup>th</sup> anniversary of the clubs founding. She also showed them the decals that were available to them.

Regarding the **Rosemont Museum** outing and **River Walk** she said there were many restaurants but not many shops. The walk however, was beautiful.

The **Georgetown 4<sup>th</sup> of July Parade** details have been finalized and participants should have received details from Steve Culbertson.

Those attending the **Flatlanders Car Show** in Sterling, CO will be caravanning from Target. The 18 people and 10 cars going to **Lincoln, NE** will leave Sterling after lunch on the 7<sup>th</sup>. Plans still include meeting up with the **Nebraska Corvette Club** Sunday evening at **Blizzard Billie's**. The event will include seeing the **Kuck Car Collection** and a second visit to the **Museum of American Speed**. The **Unser Museum** out of Albuquerque is now a part of the museum.

The trip to the **Dougherty Museum in Longmont** will be July 27. The plan is to meet at 11 am at the **Pump House Brewery** in Longmont for lunch before the tour. Be aware that parking could be an issue but they thought that at that time of day it should be fine.

Thursday, August 8 is the **Toy Run at Children's Hospital**.

The **mystery trip** has been moved to August 10 to avoid a conflict with the **Air Show** on August 3. We will meet at the **Aurora Sport's Bar** where there will be a lunch including a nonalcoholic drink for \$20 per person. This is a prepaid event.

August 17 there will be the summer picnic at **Mike and Shirley Salazars 14450 E. 134<sup>th</sup> Avenue, Brighton**. Bring a side dish for 10 people and chairs.

The **annual Ice Cream Social** is being proposed to be at **Austin Hardwoods** Sunday, August 25 from 11:30 am – 1:30 pm. This should allow people to see the preseason **Bronco** game if they choose. Please do sign up so the committee knows how much ice cream to order. It is suggested that participants bring a chair and a small dessert to share.

The committee is planning a tour to Greeley to visit the **Rodz and Bodz Museum, Movie Cars & More** September 7 with lunch at **Georgia Boy's BBQ**. The facility has 90,000 square feet and has expanded their collection.

The committee continues to plan a Fall trip over the million-dollar highway to the **Box Canyon Falls in Ouray, CO** which has been described as a Little Switzerland. They are looking into continuing on to **Durango** where we could ride the train to **Silverton** then ride the bus back to **Durango**. There is a possibility of also including a 3-hour **Jeep** tour. This would likely be a four-day trip with departure September 19.

In October a day trip to **Cripple Creek** to include a train ride and lunch is in the works.

In November the club will have their **annual Pot Luck** before the business meeting at **Clements Center** and a **cookie exchange** at **Holy Shepherd Lutheran Church** at 9<sup>th</sup> and Kipling.

Regarding the **Christmas Party** Sunday December 8, if the club has 100 in attendance the price per person drops to \$67 (after the \$25 per person the club contributes.) If only the 80 people we have contracted for attend, even with the \$25 from the club, the price will be around \$90 per person.

A couple of leisurely day drives are still being considered for end of summer or early fall.

**Car Shows:** **Phil Barnes** recap of the June 9 **Concours d'Elegance** reported there were 21 vettes, 2/3 of which were from our club. A few of our members received awards. Our President, **Kathy Hall** had to choose the car that receives the "Black Ribbon" award (the one she liked the best.) It should be noted that she resisted choosing an **LGCA** car.

Since the engine is not visible in a C8 convertible there are several accessories one can order that would allow some visibility of the engine. A discussion needs to take place regarding the judging as one category is the engine. Phil Barnes and Tom Robben will pursue this issue.

Regarding Cruise-Ins there is a special one, Saturday, July 20 from 3 – 7 pm, the Englewood High Cruise Night where they cruise Broadway after the car show.

Last week 4 cars from LGCA went to the Show Us Your Chevy car show where there were about 200 cars. Sunday, July 28 at the Greeley Fairgrounds there will be a car show. It is free and cars will be parked on grass. At the pavilion there will be a BBQ lunch with a band.

August 3 is the Scotsman Show by the 4 C's car club. There is a \$30 registration fee but you do get a T-shirt.

The Emich appreciation Car Show on September 14 now has 44 cars registered with 15 from LGCA.

**Refreshments:** Sandi Robben thanked the people who brought the goodies to share for this evening.

**Merchandise:** Kristelle Nielsen said the merchandise will be embroidered, not iron on. Members will be allowed to and are encouraged to buy the samples she displays at the meeting. When you use the link to order it will be more expensive. The link to order merchandise will be in the Reflections newsletter and on the website.

Bling items can be ordered at the meeting and will be available for pickup at the next meeting.

**NCM Ambassador:** Steve Culbertson updated the July 4 Georgetown Parade.

Sam Parker reminded members to bring their shampoos and other items saved from hotel stays to her and she will see that they get delivered to the women's shelters.

Donna Fitzgerald thanked all the members that participated in the fund raiser for the Children's Hospital Toy drive. She specifically thanked the LGCA members, Patty Murry, Sandy Seader and her Niece, Torrie for their efforts in getting donations and door prizes. Twenty-five club members brought 14 cars to the event. Members that wish to participate in delivering the toys on August 8 will meet in the parking lot of the AMC Theatre, 103 Centennial Boulevard, Highlands Ranch, 80129. Following the delivery, we will meet for lunch at the Los Dos Potrillos Mexican restaurant.

See Patty Murray if you are interested in joining the caravan to Bowling Green August 25<sup>th</sup>. The Colorado Corvettes have 9 cars going.

Kathy Hall announced the next board meeting will be July 16 at Clement's center at 10 am. The meeting adjourned at 8:29 pm.

Respectfully submitted by Secretary Jane Walker

**Minutes of 3 July 2024 Meeting**

Meeting was held at the Forney Museum, 4303 Brighton Blvd., Denver CO. 22 member clubs and one independent member were signed in. Officers present were President Dick Thompson, 2<sup>nd</sup> Vice President Calvin Craig, Secretary Dick Fritz, and Treasurer Samantha Baker. The meeting was called to order by the president at 7:34 pm MDT.

**Legislation:** Leo Boyle reported that the legislative session that ended in May did not pass Senate Bill 24-095 but he expects that elements will be revived in the 2025 legislative session which begins in January next year. 095 dealt with expansion of motor vehicle emission standards and inspections. This will bear watching. Leo noted that Colorado's November elections will shuffle new and old legislators but probably not change the Democrat/Republican ratios. There will be new members on the transportation committees

Minutes for the June meeting were accepted as published.

**Treasurer's Report:** Samantha Baker reported that as on the end of June, the renewals for 2024 were up to 44 clubs, and an additional 3 are added in July. The report was approved unanimously.

**Gateway Classic Cars Caffeine & Chrome:** The CCCC is to be featured at Gateway on Saturday morning July 27<sup>th</sup>. CCCC will receive \$10 for each vehicle we enter, up to 20 vehicles.

**Proposed Bylaw amendments:** The two amendments dealing with changing the membership requirement to join the Council were discussed at length but the two quorum requirements (to hold a vote and to pass an amendment) were not understood. The president tabled holding a vote until the February 2025 Presidents' Night Meeting, after a bylaws committee considers these and other provisions that may need to be changed. Absentee ballots that were submitted will be held but they may be rescinded by their clubs if requested.

**Repair shop lists:** The information about repair shops that still cater to vintage vehicles should be submitted to Ted Rossi by email ([Tedrossi1957@gmail.com](mailto:Tedrossi1957@gmail.com)) or USPS (Ted Rossi, 1325 W.148<sup>th</sup> Ave., Westminster CO 80023). Shop name, address, and special services should be included. The listings will NOT be recommendations, only a source of information.

**Airport Show (August 3 !):** A list of needed volunteers to carry out the car show and swap meet will be sent to all club representatives and it is URGENT that we get volunteers signed up. Shifts are only for two hours and will be greatly appreciated. Samantha has set up a meeting with the airport staff on Tuesday, April 9. O'Reily's Auto Parts is a major sponsor; please mention the show and thank them when patronizing their stores. Ramos Law and NGD Collector Storage are also major sponsors.

**SEMA Show:** John Ehrlich reported that Colby Martin of SEMA has not indicated if or how many comp passes might be available to CCCC.

**Tax reporting for 2023:** Dick Thompson reported that he has not been able to file our 2023 income taxes due to not having the necessary EIN, which had not been received from IRS.

**Next Meeting:** The August 7 meeting will be at the Forney Museum, 4303 Brighton Blvd., Denver. Starting time: 7:30 pm MDT.

The meeting was adjourned at 8:47 pm MDT.

Respectfully submitted, Richard Fritz, CCCC secretary.
