PRESIDENT KATHY HALL'S REPORT AUGUST 2024

BURLINGTON, COLORADO was the answer to where we were traveling for our MYSTERY TRIP on August 10th. Burlington was established in 1888 as a junction town for the railroads. Burlington provides the "simple life" for residents and their motto is

"Colorado's backyard – where the fun begins."

We had 22 cars of beautiful colors cruising down I-70 East. Upon arrival in Burlington, we loaded onto red wagons for about 7 block ride to the KIT CARSON COUNTY CAROUSEL. It was built in 1905 by the Philadelphia Toboggan Company for ELITCH GARDENS in Denver. It was purchased in 1928 and was moved and fully restored to its original condition for Colorado's Centennial in 1976. It features 46 hand carved animals – all have intricate carvings, detailed coats, real antlers on the deer and real horse tails on many of the horses. Music is provided by a 1912 Wurlitzer Monster Military Band Organ.

We then toured OLD TOWN MUSEUM – 61/2-acre historic site includes 21 fully restored buildings with authentic artifacts from the turn-of-the -century. We were entertained by a high-noon cancan show in the Saloon and live gunfights in the street. We were treated to an enjoyable catered lunch in the saloon and then set free to explore the buildings. The Emporium at Old Town is a shopper's delight featuring handcrafted collectibles, gifts and souvenirs.

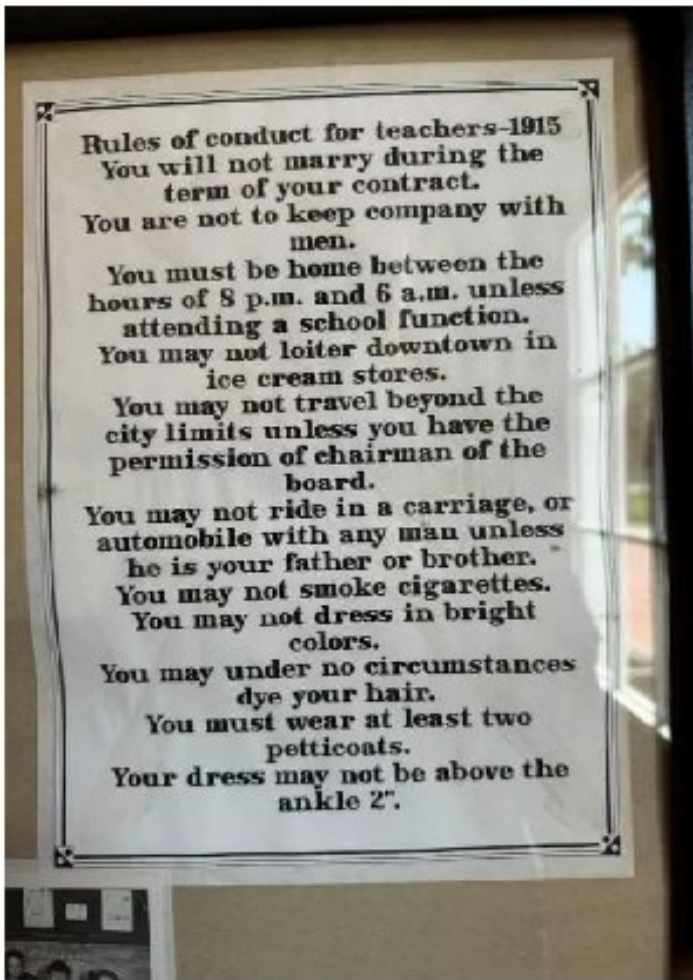

What a delightful day and terrific weather for exploring and being with friends.

Thank you to Cindi, Tony and Judy for a unique adventure. "WELL DONE"

Kathy

Vice President's Report

Submitted by Sandy Seader

August 8th, 2024, thirty-eight club members met at the AMC Theater parking lot at 103 West Centennial Blvd, Highlands Ranch, CO to disperse toys to those caravanning to Children's Hospital. Douglas County Sheriff's office escorted us to Children's Hospital where we dropped off the toys that were purchased or donated. We filled four huge bins with toys. After dropping off the toys we all meet at Los Dos Potrillos at 35 Springer Drive, Littleton, CO for lunch. This was all made possible by the thirty-five hundred dollars which was donated by club members or people participating at the Serafini's Car Show. Thank You all who participated in this wonderful event, I hope to see you all next year!

LOOKING GLASS CORVETTE BUSINESS MEETING MINUTES

August 6, 2024

The meeting was called to order by President Kathy Hall at 7:00 pm. Officers present were **Kathy Hall**, President, **Sandy Seader**, Vice President, **Jane Walker**, Secretary, **Ken Pfohl**, Treasurer and **Bob Burroughs**, Public Relations Officer.

Kathy Hall introduced member **Kathy Kellett** a representative for Medicare. She gave an overview of Medicare explaining the various plans and supplement policies available to seniors 65 years and older. Medicare does not cover prescription drugs but supplemental plans can be purchased that do. These Supplemental plans also can cover things Medicare does not. She explained that an HMO requires the person to use physicians and services in network while a PPO plan allows one to go out of network. Another factor that determines premiums people pay is the surcharge called IRMAA (Income Related Monthly Adjustment Amount) which adds to the monthly Medicare premium based on income. She cautioned that if you have a drug plan you should check each year to see if your drugs are covered as it changes every year.

Susan Wozniak, Membership stated there were no visitors or potential members in attendance.

Bob Burroughs, Public Relations Officer continues to hand out business cards with his contact information but hadn't received any calls back.

Ken Pfohl, Treasurer updated the financial standing of the club for the month of July.

Jane Walker, Secretary will be ordering new member and replacement name tags next month so if anyone is in need of a replacement name tag let her know. She also reminded members that she had the danglers in 5 year increments that members can pick up after the meeting.

Sandy Seader, Vice President wished a happy birthday to all members that have August birthdays. She gave a short summary of the recent very successful and enjoyable events: July 4 Parade at Georgetown, July 5-7 Flatlanders car show in Sterling, July 7-10 Lincoln Museum visits, July 27 Dougherty Museum in Longmont and August 3 Scotsman Car Show. Since Ben Aycrigg will be out of commission for a while she will be sending communication emails. It is important that members make sure your device recognizes emails from Sandy Seader by adding the email jeca1973@outlook.com to your contact list.

Kathy Hall, President said to ensure that correspondence from the club was uninterrupted two email accounts were set up. One for Ben Aycrigg jeca73@outlook.com and the other for Sandy Seader jeca1973@outlook.com. Phil Morgan is selling, for \$3, the **Vette News Magazine**. It has articles about our club and recently an article about our club's 50TH anniversary celebration. It includes the photo taken at Bandimere Speedway of our cars forming the number 50.

Social Committee Chair Judy Nielsen reported that the calendar has been updated and is available on the website.

Chrissie and Gary Johnson have joined the social committee but they are still looking for additional members since Cindi and Tony Lombard will not rejoin the committee next year.

There were 29 members at the **Dougherty Museum** in Longmont July 27. They had to scramble to scrape together the entrance fee for admission into the museum because unknown to them the museum only accepted cash or check.

Because of Tom Robben having friends and Rollie Purifoy's relatives in Lincoln the LGCA got the royal treatment in Lincoln at the **Museum of Speed and the Kuck Car Collection**. A thank you note and a plaque of appreciation was sent by Fed Ex to show the groups appreciation.

Upcoming events include:

August 8 Toy Run to Children's hospital. \$3500 worth of toys will be delivered.

August 10 Mystery trip. There are 43 signed up for a day of "mystery," excitement and fun.

August 15 InVintions Winery is having a Car Show and Trivia night from 5:30 – 9 pm

August 17 Summer Picnic at Shirley and Mike Salazar's at 11:30 am. The club will provide the chicken and had looked into having BBQ but it was too pricey. Members will bring side dishes and chairs.

August 25 Ice Cream Social at Austin Hardwoods. The event is planned from 11:30 am – 1:30 pm to allow Bronco fans to get home in time to watch the preseason game. Currently there are about 30 planning to attend.

September 7 Rodz and Bodz Museum, Movie Cars and More with lunch at Georgia Boy's BBQ. The facility in Greeley has 90,000 square feet and has expanded their collection.

The committee is receptive to suggestions on events on week days. Please feel free to bring them up to the committee for consideration.

Reservations for a 3-hour Jeep tour have been made for the Fall trip to Ouray, CO. The event will include a trip over the million-dollar highway to the Box Canyon Falls which has been described as a Little Switzerland.

For October plans are underway for a trip to Cripple Creek to include a train ride.

For November the club will have the annual Pot Luck before the business meeting at Clements Center and a payment has been made to reserve Holy Shepherd Lutheran Church at 9th and Kipling for a cookie exchange.

December 8 Christmas Party at Ashley Ridge by Wedgewood located at 8199 Southpark Ct., Littleton, CO 80120. The committee will begin planning the event this week.

Car Shows: Phil Barnes thanked the 39 members that have signed up to help at the Emich Car show. Currently there are 58 cars registered and he is hoping for another 50.

A few members went to the Golden Cruise August 3, but found that the cruise is getting more and more restrictive with the traffic pattern.

Upcoming car shows include:

August 10 there is the Mike Maroone Peoples' Choice car show in Colorado Springs from 10 -2 pm.

August 18 Speed Gone Wild at the Boulder Fair grounds.

Refreshments: Sandi Robben thanked the people who brought the goodies to share for this evening.

Merchandise: Kristelle Nielsen said the link to order merchandise will be in the Reflections newsletter and on the website and should be up this week. However, members are encouraged to buy the merchandise she has in stock at the meeting. She showed a few more shirt styles that will become available and has ordered samples of a new club shirt.

The rain coats have been fixed and are now for sale. The company agreed to give credit for all merchandise they messed up.

The bling orders for club members should be here by August 10. She also plans to have bling shirts and corvette silhouette carve outs available for purchase at the Emich car show in September.

Kathy Hall ask for a show of hands for members that would be willing to work at a VOTR event.

Approximately 24 people raised their hands. A discussion followed about putting on the event. Tom Robben said it takes about 60-65 people to cover various duties. It requires upfront money and is now very expensive for participants. There are many obstacles to such an undertaking: finding workers (our club members have aged and our membership is smaller), finding a location willing to accommodate a large group and finding businesses willing to support the event and/or provide door prizes. Suggestions were made as to possible modifications to possibly downsize the event or the possibility that other corvette clubs would be interested in co-sponsoring the event. It certainly has been a celebrated event that the club can take pride in sponsoring in the past. Non club members are still inquiring about if there

is another one being planned. Tom said he has co-chairs, Steve Culbertson and Deb Raudins that are willing to help plan it if it is something the club wants to pursue. It seems apparent there is not enough support at this time to pursue VOTR in the near future.

Tom also gave an update on the health and progress on Dino Salvatori who is doing well. Former member Mike Beck (wife Ann McQueen) fell and broke several ribs and is having an MRI on his brain and back.

Kathy Hall was pleased to say **Dave's Locker**, our club's charity for this year, posted a picture of the "big" check LGCA presented to them. She read a thank you note the club received from Mike Salazar. The club then sang "Happy Birthday" to our Vice President Sandy Seader.

Donna FitzGerald reminded club members that the **toy run to children's hospital** will be Thursday, August 8. She thanked members that contributed to this event and encouraged members to join in the delivery of the toys.

Kathy Hall announced that the next board meeting will be August 20 at Clements Center at 10 am. The meeting adjourned at 8:20 pm

Respectfully submitted by secretary Jane Walker,

Minutes of 7 August 2024 Meeting

Meeting was held at the Forney Museum, 4303 Brighton Blvd., Denver CO. 21 member clubs and two independent members were signed in. Officers present were President Dick Thompson, First Vice President, Tom Mansfield, Secretary Dick Fritz, and Treasurer Samantha Baker. The meeting was called to order by the president at 7:31 pm MDT. Two new representatives were introduced: Bob Steffen of the Rocky Mountain Thunderbird Club and Eddie Maurer of the Conestoga Chapter, Studebaker Drivers Club.

Legislation: Leo Boyle was unable to attend.

Minutes for the July meeting were accepted as published.

Treasurer's Report: Samantha Baker summarized the funds in the operating, government relations, and swap meet / car show accounts as of the end of July, but noted that some bills for the airport show have yet to come in.

Repair shop lists: The information about repair shops that still cater to vintage vehicles should be submitted to Ted Rossi by email (Tedrossi1957@gmail.com) or USPS (Ted Rossi, 1325 W.148th Ave., Westminster CO 80023). Shop name, address, and special services should be included. The listings will NOT be recommendations, only a source of information. WE NEED MORE INPUT.

Airport Show: In spite of very hot weather and smoke from wildfires, the show at Rocky Mountain Metro Airport was very well attended. There were about 30% fewer cars and spectators but the response from attendees was favorable. Samantha Baker was thanked for her management of the show. Samantha will have to resign from next year's event, but she has recommendations for future shows; primarily she urged having 5 sub-managers so the overall manager does not have to be everywhere at once. Club representatives were asked to seek suggestions and comments from their clubs for improving the event. There will be a wrap-up meeting for the car show at the airport terminal meeting room at 4:30 of Tuesday, August 20th. Note: this meeting will be for airport issues only; there may be a general car show wrap-up meeting following, location to be determined.

DMV meeting re: Non-traditional vehicle title and registration eligibility. The DMV will hold a workshop on Tuesday, August 13 to clarify eligibility of unconventional vehicles such as golf carts and surplus military vehicles for registration. We intend to have representatives at the virtual meeting.

SEMA Show: John Ehrlich reported that Colby Martin of SEMA has not advised us if or how many comp passes might be available to CCCC.

Forney Dust n'Shine events: CCCC is scheduled to be the volunteer organization for September 21. Notify Dick Thompson if you would like to attend. Also, clubs that wish to hold a Dust n'Shine in 2025 should contact Dick Thompson.

Bylaws review committee: There will be a meeting of those who volunteered (plus anyone else who would like to help) on Monday, August 19 at 4 pm at the Forney Museum.

Tax reporting for 2023: Dick Thompson reported that taxes have been filed for 2023.

Next Meeting: The September CCCC meeting will be at Gateway Classic Cars at 14150 Grasslands Dr. in Englewood. To accommodate Gateway's schedule, the meeting will be held on **Tuesday, September 3rd**.

The meeting was adjourned at 8:13 pm MDT.

Respectfully submitted, Richard Fritz, CCCC secretary.

PS: The "Friends of Collector Cars PAC" is seeking voluntary contributions. Contact Ted Rossi (Tedrossi1957@gamil.com). Ted and Dick Thompson are available to discuss the PAC at club meetings.
