PRESIDENT'S REPORT

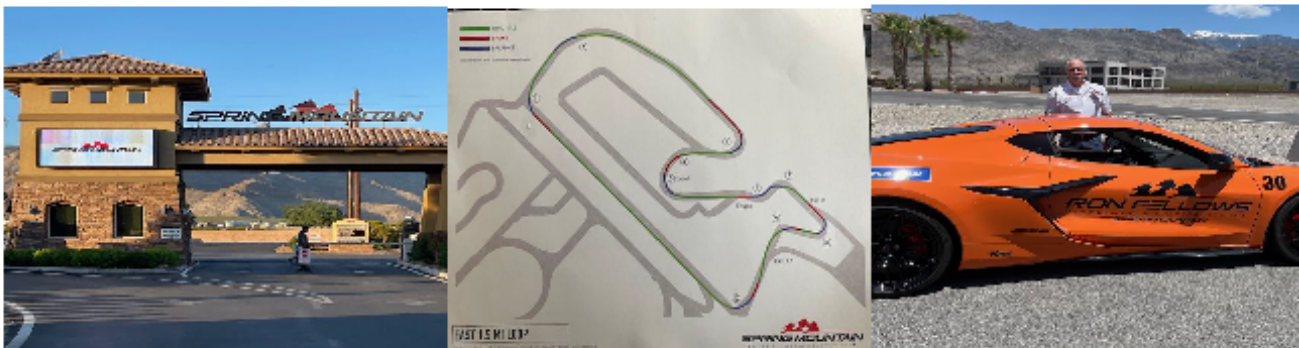

Every new Corvette comes with an invitation for a "discounted rate of \$1,000.00" – not including travel expenses on an exclusive 2-day course at the RON FELLOWS PERFORMANCE DRIVING SCHOOL AT SPRING MOUNTAIN MOTOR RESORT AND COUNTRY CLUB. You have one year from the date of delivery to take your driving course – dates are limited.

It started as a simple idea – a racetrack where friends and family could enjoy the thrill and excitement of a world-class road course with the relaxation and resort atmosphere of a country club setting. Together racing enthusiasts John Morris and Brad Rambo bought the 193-acre property now known as SPRING MOUNTAIN MOTOR RESORT AND COUNTRY CLUB in 2004. In October 2008 RON FELLOWS partnered with Spring Mountain, forming the Ron Fellow Performance Driving "School along with corporate partners CHEVROLET AND MICHELIN. It now has the longest racetrack in North America at 9.13 miles with over 70 configurations available on 933 acres of motorsports paradise. A multitude of amenities include gourmet kitchen and onsite chef - outdoor patio, fire pits, pool and jacuzzi, fitness center outdoor basketball court, and gun range. The school is a 2-day course from 8:00am to 4:00pm which includes breakfast at 6:45am to 8am and a lunch break in the Clubhouse. The programs are designed to provide drivers of all experience levels with the skills and techniques needed to truly challenge yourself and become more knowledgeable and confident in the incredible capabilities of your new corvette.

Bill and I attended the course from May 1 & 2 with our Z06 and recommend it to all. I was able to attend all classes with Bill and ride with the instructor. Attached are pictures of the racetrack and THEIR cars that we use.

Join our road trips to Gering and/or Sterling and have some summer fun together.

May's Vice President's report

Saturday May 11th, 2024 was the Stuarts Middle School Car Show. The kids sold pop, hot dogs, and other goodies. They had a frozen drink truck and an ice cream truck as well. The weather held out and it was a great day for a car show. There were thirty-five entries at the car show. The club had two big winners, Glen Murray and his 1981 Black Corvette Best of Decade 1980's. Glen's Corvette was widened 8 inches, has a blown 350 small block, it was raced in California and turned 9.2 quarter mile. Bill Hall and his 2024 Absolute Orange, 670 HP, Flat plain crank engine Z06 Corvette won Best of Decade 2020's. Congratulations to both of you and your great looking Corvettes.

Hope to see you at the next two upcoming events, May 18, 2024, the Wildlife Sanctuary and May 27th, 2024, The Memorial Day Parade.

LOOKING GLASS CORVETTE BUSINESS MEETING MINUTES

MAY 7, 2024

The meeting was called to order by President Kathy Hall at 7:00 pm. Officers present were Kathy Hall, President, Sandy Seader, Vice President, Jane Walker, Secretary. Ken Pfohl, Treasurer and Bob Burroughs, Public Relations were absent.

Susan Wozniak, Membership committee introduced guests Wayne Hodda and Susan Morris. They have a Blue 2023 C8 convertible.

Kathy Hall, President distributed to each table a treasurer report in the absence of Ken Pfohl and stated the club has a positive cash flow. Ken will put an article in the May Reflections explaining Zelle to encourage members to use this method of payment for dues and activities.

Jane Walker, Secretary announced that dangles for members to display the "years of membership in the club" are available in 5 year increments from 5 years through 40 years. If you are interested in one just check with her.

Sandy Seader, Vice President announced May birthdays, thanked the social committee for arranging the Cherokee Ranch Castle tour and complemented the 36 brave people that participated even in the inclement weather.

She said plans for the Stuart Middle School car show on May 11 were finalized.

The May 27 Memorial Day parade will allow our club to have 20 cars. Plans are finalized for lunch following the parade. Participants will meet in the Commerce City Civic Center parking lot at 7:30 am and will need to provide copies of drivers' licenses, proof of insurance and registration.

Charity: Roland Tomsick prepared ballots that were distributed for the members to select the club's charity for 2024. The choices were: "Journey with Equus" or "Dave's Locker" or split the \$2000 available equally between these two charities. Dave's Locker was chosen by the members.

The board had decided that the \$600 for "Ability Connect Colorado" is really an advertising expense since the club receives a tent and a page in the Concourse d'Elegance" booklet to promote LGCA.

Social Committee Chair Judy Nielsen highlighted upcoming social activities and events. Remember details are available on the club's website.

Wild Animal Sanctuary, Keenesburg May 18. The meeting place for the caravan has been changed and will be I-76, Exit 21 at the Target. Lunch will be at the Pepper Pod in Hudson.

The tour of Empower Field will be June 1 and lunch will be at "The Original Brooklyn's."

Plans for The Gering, NE June 13-16 Father's Day Car Show includes lunch in Kimball, NE on the way up Thursday and dinner at the golf course that evening. Friday morning there will be a caravan to the Legacy of the Plains Museum for a tour. As a side note the Nielsen's, Seader and the Charlton's have an extra hotel room at the Hotel 21 so check with them if you are interested.

Rosemount Museum & River Walk – Pueblo, rescheduled from May 4 to June 29. There is a fee of \$5 per person for the museum that can be paid on the day of the tour.

Details for the trip to Lincoln, NE for the Museum of American Speed July 7-10 are still being worked out. If you are not planning on attending the Flatlanders Car Show in Sterling, CO July 5-7 you can still meet up in Sterling on July 7 and caravan to Lincoln, NE. See the flyer for reservations in Lincoln.

A mystery trip is being planned for August 3. (It does conflict with the Scotchman)

The club picnic will be August 17 at Mike and Shirley Salazar's. It will be a potluck with the club providing the main dish, plates and utensils.

The club picnic will be August 17 at Mike and Shirley Salazar's. It will be a potluck with the club providing the main dish, plates and utensils.

They are looking into a possible 2 day trip in the Fall to Ouray, CO to the Box Canyon Falls.

Final plans have been made for the Christmas Party. It will be Sunday, December 8, 2024 at Ashley Ridge by Wedgewood located at 8199 Southpark Ct., Littleton, CO 80120. The club will subsidize the cost with \$25 per person which will bring the cost to be around \$90-\$92 per person.

Car Shows: Phil Barnes The first Golden cruise for 2024 was May 4. Phil saw 5 club members at the cruise.

He announced the upcoming car shows:

May 11 The Warren Tech show was rescheduled from May 4 because of inclement weather.

May 19 the Max Caps The Taste of Philly Show off of County Line Road. It is free. If you sign up you will get a voucher for a free Philly Cheese steak sandwich and a beer.

May 25 Corvettes on Colfax by the Denver Corvette Association at Len Lyall Chevrolet. The entry fee is a donation to the Back the Blue Canine Dogs.

May 27 Applebee's car show

June 1 Mike Maroney's Car Show in Colorado Springs. Registration is \$25 per car.

June 2 a free El Jebel Car show in Denver

June 2 Dino's Dead Flower Car Show which is a fund raiser for the Fire Department. A tour of his grow operation may be available. There is a \$20 fee for the show and \$10 for a BBQ.

June 9 Ability to Connect Concours d'Elegance with online registration open until May 17. You can sign up the day of but you may find yourself waiting in line. There is still a need for judges.

June 15 Vettes on Broadway at John Elway Chevrolet on Broadway.

June 15 Stevinson Chevrolet show sponsored by the Colorado Corvette Club.

July 4 Georgetown Parade. Steve Culbertson volunteered to coordinate the event for the club. Breakfast will be at the Happy Hooker before the parade. They do allow candy to be thrown from the cars

September 14 The Emich appreciation Car Show. Registration is now open.

A suggestion that people use the Facebook page to let others in the club know when they are attending a get together like the Golden Cruise or a Dairy Queen Run was discussed to increase participation. The suggestion was received favorably.

Car Council: Tom Mansfield reported the most concerning bill is State bill 95. It is a bill sponsored by Kirkmeyer from Weld County that affects tail pipe emissions. The major concern is that they may, at the last minute, add things like taking away the exemptions currently in place for old cars.

The second bill that may not pass is one recommending an increase in the number of emission testing stations. The lobbyist is keeping an eye on it for car enthusiasts.

Merchandise: Kristelle Nielsen reported that the merchandise committee continues to work with a company for club items. They hope to have information on merchandise at the business meeting in June.

NCM Ambassador: Steve Culbertson had no news.

Refreshments: Sandy Robben thanked the people who brought refreshments for this evening and reminded us that there is a sign-up sheet available for next month.

VOTR: Tom Robben had nothing to report

Kathy Hall shared the Spring Mountain ZO6 class will now have a simulator.

The club placed 2nd on the Pirates Cruise for attendance. The trophy will be placed in the club's museum.

Old Business: Donna Fitzgerald mentioned the fund raiser at Serafini's Pizzeria in Brighton June 22 from 11 am – 3 pm. Monies raised will be used to buy toys for the Children's Hospital Toy Drive August 8. She will do Pet paintings for \$100 each and will donate all the money she makes to the Toy Drive.

Kathy Hall announced the next board meeting will be May 21 at Clement's center at 10 am.

The meeting adjourned at 8:03 pm

Respectfully submitted by Secretary Jane Walker

Minutes of 1 May 2024 Meeting

Meeting was held at the Forney Museum of Transportation, 4303 Brighton Blvd., Denver CO. 23 member clubs, representatives of two prospective member clubs, and two individual members were signed in. Officers present were 1st Vice President Tom Mansfield, 2nd Vice President Calvin Craig, Secretary Dick Fritz, and Treasurer Samantha Baker. The 1st Vice President, Tom Mansfield opened the meeting at 7:31 pm MDT.

Legislation: Our lobbyist, Leo Boyle reported that the Colorado Legislature is going into overdrive to conclude everything by the May 8th legal deadline to end the 2024 session. Violation of the Ozone Air Quality standard has been a concern all year and the oil & gas industry, particularly the Suncor refinery, has been the primary target. One remaining bill, SB24-095, deals with high-emitter vehicles and authorizes a voucher for additional remediating repairs. Further amendments may be added to this bill. No other bills this year had affected collector vehicles.

Minutes for the April meeting were accepted as published.

Treasurer's Report: Samantha Baker summarized the balances in the Operating, Government Relations, and Car Show & Swap Meet accounts. The report was approved unanimously.

Applications for membership: Faith on Wheels Car Club and Rolls-Royce Owners Club representatives were introduced and asked to describe their clubs. After discussion, their applications were moved, seconded, and approved unanimously.

CCCC bylaws and club membership numbers: The requirement in the CCCC bylaws that clubs must have at least 10 members has become controversial as membership in several clubs has dropped below that

number. After extended discussion, two possible alternative changes were put forward: [A] That the requirement be changed to five members, and/or [B] that a club have 10 members to initially join but the number of members can subsequently drop below that number. All clubs are asked to discuss with their members (including the option of leaving the figure at 10 members) and present their recommendation at the next CCCC meeting. There is a formal procedure for changing the bylaws, as attached as an addendum to these minutes.

Gateway Classic Cars Caffeine & Chrome: The two events scheduled for April 27 were both impacted by the spring snow and rain storm. Lincoln Tech's car show was postponed to September 14 and the Gateway Caffeine and Chrome went on but with fewer cars. We appreciate the five CCCC club members who signed in and for which the Council will receive a check for \$50.

Tom Mansfield reported that volunteers will be needed at the August 3rd CCCC Airport Show. A list of where volunteers are needed should be compiled for an upcoming meeting.

June 15 Forney Dust n'Shine: This date had been scheduled for the Rocky Mountain Corsa Club but due to a conflict they had to be rescheduled to September 21. CCCC has taken over the June 15th date.

Carroll Reichen (Tammev.Stone@ucdenver.edu or 303-797-8912) will oversee volunteers and he must have a head count of who will coming. The number will be limited to 20. The Pontiac club asked to be a major participant. Do not show up without registering in advance.

Next Meeting: The June 5th meeting will be at ColoRODans meeting room, 209 Kimbark St., Longmont Colorado. Start time 7:31 MDT.

The meeting was adjourned at 8:32 pm MDT.

Respectfully submitted, Richard Fritz, CCCC secretary.

Addendum:

CCCC Bylaws:

Article IX: AMENDMENT

Amendments to these Bylaws of the Collector Car Council may be proposed by the authorized Representative of any Member Club in good standing for consideration and discussion. An amendment will be adopted only following publication in the minutes of the regular business meeting at which it is proposed and with the affirmative votes of the authorized Representatives of at least two-thirds of the Member Clubs of the total current membership roll of the Council.

In order to secure the best possible representation of the Member Clubs in a vote to amend the Bylaws, the Council will accept absentee ballots, for this purpose only, cast in writing by the authorized Representatives of Member Clubs and received by the Secretary of the Council subsequent to publication of any such proposed amendment, but no less than two (2) days prior to the regular business meeting at which such vote to amend is to be conducted.
